## Material Safety Data Sheet

May be used to comply with OSHA's Hazard Communication Standard, 29CFR 1910. 1200. Standard must be consulted for specific requirements.

CARBURETOR AND CHOKE CLEANER (BULK)

QUICK IDENTIFIER Common Name: (used on label and list) K & W PART: #1928, #1905 and #1950

NFPA Rating H-2, F-3, R-0

SECTION 5 - PHYSICAL HAZARDS (REACTIVITY DATA)
Stability Unstable C Conditions Stable X to Avoid
Incompatability (Materials to Avoid) Strong alkalies
Hazardous Decomposition Products Carbon dioxide and/or carbon monoxide
Hazardous May Occur 🖫 Conditions Polymerization Will Not Occur 🎗 to Avoid
SECTION 6 – HEALTH HAZARDS
1. Acute 2. Chronic
Signs and Symptoms of Exposure Resniratory tract irritation names and yomiting nossible blindness
Symptoms of Exposure Respiratory tract irritation, nausea and vomiting, possible blindness  (if swallowed) liver and kidney damage.
Medical Conditions Generally
Aggravated by Exposure See above
Chemical Listed as Carcinogen National Toxicology Yes  Or Potential Carcinogen Program No A Monographs No X No X
Emergency and
First Aid Procedures
1. Inhalation Remove patient to fresh air. Seek medical attention.
2 Eves
Flush with plenty of water and get immediate medical attention.  Skin  3. Skin
Wash with soap and water.
Induce vomiting and seek immediate medical attention.
SECTION 7 - SPECIAL PRECAUTIONS AND SPILL/LEAK PROCEDURES
Precautions to be Taken in Handling and Storage Keep product containers cool, dry and away from sources of ignition.
Other Personnel should avoid inhalation of vapors and prolonged contact with the
product.
Steps to be Taken in Case Material is Released or Spilled Remove of sources of ignition. Ventilate. Avoid breathing of
vapors and remove with inert absorbant.
Waste Disposal Methods (Consult federal, state, and local regulations) Do not incinerate. Dispose in accordance with
governmental regulations.
SECTION 8 – SPECIAL PROTECTION INFORMATION/CONTROL MEASURES
Respiratory Protection (Specify Type) Self contained breathing apparatus.
Ventilation Local Mechanical Special Other  Exhaust Local (General)
Protective Eye
Gloves Rubber Protection Safety goggles  Other Protective Clothing or Equipment Impermeable clothing
Work/Hygienic Practices
Do not spray near source of ignition and avoid physical contact with prod

IMPORTANT
Do not leave any blank spaces. If required information is unavailable, unknown, or does not apply, so indicate.
