

# AFTERLIFE Material Safety Data Sheet

Preburnish treatment. Revised 03/02/05  
Transportation information: Not regulated.

## SECTION 1 SOURCE INFORMATION

Manufactured by: Formula Technology  
4475 River Green Pkwy, Ste. 100, Duluth, GA 30096 USA  
Phone: 770/ 813-0008 or 800/ 728-7972 Fax: 770/ 813-0470  
24 Hour Chemical Emergency Phone: Toll Free: 1-800/535-5053  
or Collect 1-352/ 323-3500

## SECTION 2 INGREDIENTS

| MATERIAL             | %   | PEL  | TLV  | CAS No.    |
|----------------------|-----|------|------|------------|
| nonionic surfactant□ | >1□ | N/E□ | N/E□ | 68412-54-4 |
| isopropyl alcohol* □ | >1□ | N/E□ | N/E□ | 67-63-0    |
| water□               | >1□ | N/E□ | N/E□ | 7732-18-5  |

\* SARA Title III applies (USA) (N/E = None Established)

## SECTION 3 PHYSICAL DATA

|                             |                               |
|-----------------------------|-------------------------------|
| Appearance and odor:        | Clear green liquid, pine odor |
| Boiling point, degrees F:   | 212°F                         |
| Vapor density:              | Heavier than air              |
| Solubility in water:        | Infinite                      |
| % volatile by weight:       | > 75%                         |
| Specific gravity (water=1): | 1.0                           |
| pH (approximate):           | 8                             |
| Evaporation rate (water=1): | 1.0                           |

## SECTION 4 FIRE AND EXPLOSION DATA

|                                 |                      |
|---------------------------------|----------------------|
| Flash point:                    | Not applicable       |
| Flammable limits:               | Not applicable       |
| Extinguishing media:            | Not applicable       |
| Special fire fight procedures:  | Keep containers cool |
| Unusual fire/explosion hazards: | None                 |

## SECTION 5 REACTIVITY DATA

|                           |                            |
|---------------------------|----------------------------|
| Stability:                | Stable                     |
| Conditions to avoid:      | Heat, bleach, strong acids |
| Incompatibility:          | N/A                        |
| Hazardous decomposition:  | By-products undetermined   |
| Hazardous polymerization: | Will not occur             |

## SECTION 6 HEALTH HAZARD DATA

|                 |                                                     |
|-----------------|-----------------------------------------------------|
| Health hazards: | Irritating to eyes<br>Chronic exposure may dry skin |
|-----------------|-----------------------------------------------------|

|                                |                |
|--------------------------------|----------------|
| Carcinogenicity:               | None known     |
| Medical conditions aggravated: | Skin disorders |

### ROUTES OF ENTRY SIGNS OF EXPOSURE:

|             |                     |
|-------------|---------------------|
| Eyes:       | Redness, irritation |
| Skin:       | Redness, irritation |
| Inhalation: | Possible dizziness  |
| Ingestion:  | Nausea              |

## SECTION 6 (continued) EMERGENCY FIRST AID:

Eyes: Flush with clean water for 15 minutes, lifting lids and removing contact lenses. See physician.

Skin: Flush thoroughly with water, if irritation develops, see physician

Inhalation: Remove to fresh air

Ingestion: Drink 1/2 cup water  
DO NOT induce vomiting (aspiration hazard)  
See physician immediately with this data.

## SECTION 7 PRECAUTIONS FOR SAFE HANDLING AND USE

### Spill response:

Slippery! Prevent foot traffic in area. For large spills, pick up with mop or wet vacuum. Rinse area with clean water. Allow to dry before traffic resumes.

### Waste disposal:

Dispose of in accordance with Federal, State and Local law.  
For large spills: dike and recover with mop or wet/dry vac. Do not permit to escape directly into creeks or other natural waterways. May be absorbed into inert material such as vermiculite and disposed of in sanitary landfill as applicable laws permit.

## SECTION 8 CONTROL MEASURES / PERSONAL PROTECTION

Eye protection: Recommend safety glasses for liquids

Ventilation: Not usually necessary

Respiratory protection: Not usually necessary

Skin protection: Recommend waterproof gloves (such as vinyl, latex, nitrile) in good condition. Do not allow containment against skin through saturated clothes. Remove any contaminated clothing and shoes immediately and wash them thoroughly before reuse. Read and follow all label directions before use.

### Storage and handling:

Keep out of reach of children. Keep away from pets. Keep in original container. Never use food or beverage containers to measure or transport this product. Empty containers contain residues and should not be used for food or beverage. Do not eat or drink around exposed chemicals. Verify that personal protective equipment is in good condition, gloves do not leak, etc. Do not store in direct sunlight. Store at 40-95 degrees F. Protect product quality by keeping containers tightly closed when not in use, avoid pouring unused material back into original container.

### Disclaimer

Manufacturer accepts no responsibility for damages or loss incurred from the improper handling and use of this product. Manufacturer cannot anticipate all conditions of use, or performance in all environments. The preceding information is believed to be accurate but is not warranted to be so. In case of a chemical emergency call 800/535-5053 day or night or call collect in the USA: 1-352/ 323-3500.

To receive the most current safety data call 770/813-0008 in the USA.
